Front and rear fencing 9.3 / 10
Very happy with the fencing, despite meeting some unforeseen issues and heavy snow they kept us very well informed. **Customer in Bourne End, 14 February 2012**

To revitalise a 35 year old garden which had become very overgrown and out of control. 9.5 / 10
This was a very difficult job, large overgrown shrubs and plants removed, pergola repositioned, utility area created, brick on edge to new lawn. A complete garden make-over. Jonathan also provided me with the name of a local company who made a beautiful decorative fence which was an important feature in the new garden. It has given me a renewed interest in the garden and I would highly recommend this team for their quality of work and attention to detail. **Customer in Maidenhead, 2 February 2012**
