Most Recent Customer Feedback

Removed wall lights and installed new ceiling light. Replaced pull light switch with wall light switch 10 / 10

Very friendly service. Changed time of appointment on short notice. Was happy to fit in additional work not originally mentioned. Very satisfied with work done. Left everything clean and tidy. All at a reasonable price. Would definitely use them again! Pleased to have found them as just moved to the area - not always easy to find someone you trust.

Replaced security lights and mended kitchen lights 10 / 10

The work we requested was completed in a professional and responsible manner. Russ and Dave, who came to do the work, were friendly and efficient - and also made sure that some other niggling problems left by a different company's electricians were sorted out at our request (and at minimal cost!). Would definitely recommend. **Customer in Horsham, 30 January 2012**

Fitting of electric hob, extra power points, repair of Ventaxia, fitting of electric radiator 10 / 10

Very efficient, very knowledgeable. Helpful advice given about electrical plans for the future. Highly recommended.

New fuse box, new sockets and appliances connected in kitchen, new ceiling roses throughout 9.8 / 10

Ricky was very thorough and went through with me the work I needed doing and gave good advice and suggestions. Dave came to do the work, he was there when he should be and I am very happy with the work done. **Customer in Crawley, 26 September 2011**

Complete rewire of 3 bed house

10 / 10

Ross was very polite and came up with extra ideas for the re-wire, his work was very tidy and they left the house clean, I was concerned about my floor boards as they are in very good condition, when they had finished you wouldn't have known the floor boards have been raised. Great job, have ask him to come back to do my extension. **Customer in Crawley, 19 August 2011**
