### Most Recent Customer Feedback

#### Two storey side extension

10 / 10

The extension is beautiful. The roof looks like it has been there all the time. The new bricks are an exact match to the originals. The tiling in the bathroom is superb. The builders arrived on time every day, they started and finished the work exactly when they said. There were no dead days with no progress on the work. The project management was like clockwork. My only comment is to check exactly what is in the quote and what is not. However, the price of what was quoted was adhered to. **Customer in Hove, 29 June 2011**

I had my doubts whether my garage could be saved but WOW, what a job these guys did. Always showed even if rain stopped play and always available on the phone. Wish I had had the garage done sooner now as it's lovely. Prices as quoted, professional, friendly, courteous and very tidy.
