Ceiling overboard strip wall paper skim ceiling and walls

After been let down by one Plasterer, I was delighted Paul was able to quote for the work I required. He and his team arrived prompt and had started the work within 5 mins of arriving. All work was carried out to a very very high standard within the time frame given the whole team were polite and cheerful. I will use pauls services in the future as and when I want work doing and would highly recommend him to anybody. **Customer in Portsmouth, 19 April 2012**

As usual excellent work, reliable and punctual, lovely friendly chaps. They have done a lot of work in our house and we would recommend them to anyone. Price as quoted and cleaned up after themselves. If you have plastering, tiling or any other general building work to have done in the local area then I would absolutely recommend them and can say with confidence that you will keep on using them and recommending them to your friends and family. **Customer in Gosport, 13 April 2012**

Dry line / skim wall and plasterboard / skim ceiling

A great job and just what we wanted. Paul's team worked all day lining the lounge wall and plaster boarding / skimming the whole of the lounge / dining room ceiling (24' x 9.5'). It amazed us how they managed to do it wall in the one day and the quality of the finish not sacrificed. All the lads were extremely polite and a pleasure to have around. Would definately use again. **Customer in Southampton, 21 November 2011**
