Measurements, calculations and drawings for steel beams to allow removal of two load bearing walls.

10 / 10

Very helpful initial advice leading to engagement for the production of plans and specifications. Good liaison with us and helpful assistance with the Building Control application. Work subsequently completed successfully creating a large kitchen area with level ceiling throughout and hidden beams. **Customer in Billingshurst, 25 February 2012**

Planning application drawings

9.3 / 10

Pleasant to deal with, professional, timely and flexible. Was happy to make additions to the drawings when requested and work was provided when he said it would be at the price he quoted. No hesitation in recommending. **Customer in Godalming, 20 February 2012**

Design of single storey extension, survey and drawings done . Planing application and building regs submitted.
