I used this company in August 2011 and was so impressed then. As soon as I knew I might need some help, I was able to book an appointment and Walter, asked for by name by me, arrived as he always does, pleasant, on time, and went through everything with me. I really cannot recommend this company enough. Already 'reserved' Walter for an August spring-clean! **Customer in Walton-on-Thames, 13 January 2012**
