Fitted new tailgate painted mirror covers. 10 / 10

New tailgate looks really good. Mirror covers were covered in stone chips. Now looks like new. I dealt with Steve Kerr, found him very helpful. **Customer in Sandhurst, 27 April 2012**

Repairs, to damaged doors and wing 8.5 / 10

Really good job done quickly, efficiently and for a very reasonable price. After receiving my quote, I called them on a Friday and the car was in for repair the following Tuesday, with a courtesy car provided at no extra charge. The standard of the repair is excellent and you would never know there was any damage. The only downside was that the inside of the car was left a bit dirty: lots of dust on the seats, footprints on the mats and a blob of something white running down the air vent. It cleaned off with a wipe and a vacuum, but would have preferred to have had it done before I collected the car. That said, I would definitely use them again and would recommend the standard of their repair very highly **Customer in Berkhamsted, 20 September 2011**
