#### New lighting and new switches for shower and lighting and fan in bathroom 10 / 10

Steve and Aidan did a great job, they did not stop from when they arrived till the job was finished - no tea breaks for them!! They cleaned up after they had finished a quality job. We will be getting them back (if they are not too busy!!) to fit points and lighting in our kitchen as we know they are reliable and do a great job. **Customer in Bognor Regis, 9 January 2012**

Steve was the electrician employed by Jason Grounsell for our kitchen extension, and the reason is clear. Steve is someone with a thorough knowledge of his trade, and is able to give excellent advice. I would not hesitate to recommend him. **Customer in Bognor Regis, 25 February 2011**
