Most Recent Customer Feedback

Replaced faulty underfloor heating controller

10 / 10

Obligingly fitted my visit in after his scheduled work on the same day of my call. Diagnosed the problem with the heating system, and as it was too late to collect a replacement that evening, returned late on Saturday, again after scheduled work, and installed and tested a new control unit. Charged only for the one visit and cost for the component. Very polite and efficient. Would always use the company in future. **Customer in Southampton, 4 February 2012**

New wiring in converted loft

10 / 10

The standard of PNG's work was exemplary. All wiring was neatly run and clipped and connectivity was to a very high standard. Neil was very neat and tidy, such that there was little clearing up to do. I would highly recommend this company to anyone who wants electrical work done at a reasonable price. **Customer in Fareham, 5 December 2011**

Rewired socket which had been burn

10 / 10

If I had another electrical problem this contractor would be my first contact **Customer in Southampton, 12 September 2011**

Electrical plugs and lights

10 / 10

Neil arrived on time and carried out the work very conscientiously and professionally. He did an excellent job and left the site very clean after the job. **Customer in Southampton, 8 July 2011**

Change light sockets, fit new lights in lounge and kitchen. Fit new external socket

10 / 10

Work was carried out professionally and tidily. Everything was fully explained to me before and after every single job was carried out. Price quoted was the price paid - no surprise hidden extras! Very impressed and would definitely recommend and use again. **Customer in Southampton, 14 December 2010**
