Painting large 6 bedroom house and other work

10 / 10

Thomas and his marvellous team of multi-talented, polite and courteous workers have painted my large house from top to bottom. The standard was superb and nothing was too much trouble. Whatever was asked of them, the reply was always 'no problem'. Thomas came round every single day to talk about the job and speak to his team. I will most certainly be using them again soon and cannot recommend them highly enough. **Customer in London, 17 May 2012**

Interior decoration of small office (4 rooms)

10 / 10

Thomas was very polite and professional when giving us an estimate to paint the walls and ceiling of a small 4 room office for a small company. He reckoned up the job very quickly and accurately and gave an accurate assessment of the time it would take. He made extra effort to fit within our tight deadline which was highly appreciated. His decorators were very polite and friendly and kept their equipment tidy and organised at the end of the day. The work was completed on time and to his fixed price estimate. Thomas was a pleasure to deal with and always very professional. I would have no hesitation to recommend him for work on an office or at home. **Customer in New Malden, 8 May 2012**

Burn off all exterior paintwork, rub down and finish with four coats microporous paint.

10 / 10

Work started on the last day of the 'drought', the 7-8 days work was finished in 22 days. Tom said there could be a surcharge on the scaffolding quote as it was for 14 days max but he would carry any overrun costs. Three frames had rot in them and had to be replaced, I had some spares. Extra work, a 200% overrun, vile working conditions and endless interruptions. The invoice was for the quoted price and the job was done with care and great skill. What stars. **Customer in Morden, 7 May 2012**

Complete redecoration of one bedroom flat

10 / 10

I received a highly competitive quote and they were able to come in to do the redecoration at short notice so I asked Polish Deco to do the work. They started when agreed and completed the redecoration (and a few handyman type jobs)

to an extremely high standard. Nothing was too much trouble for them and they bent over backwards to satisfy me, their client. I would have absolutely no hesitation in recommending Polish Deco. **Customer in London, 7 April 2012**

Plastering, Interior Decoration, Floating Shelves and Loft Ladder

10 / 10

Have been very happy with the work completed by PolishDeco. They have been timely, polite, and clean and work has been to the standard expected by previous reviews. Thomas gave a quote before hand which true to their word was not increased by additional touch ups. They were able to take on a range of tasks all by the same member which is also great, rather than different people coming in and out. Would definitely recommend. Many Thanks to Brus who did the work for us. **Customer in London, 3 April 2012**
