This is the second refit that Jon has done for us. Again, he did a perfect job and he was reliable and meticulous in his work. He will be the first person to ask of we need any further work done. We would not hesitate to recommend him.

V. Happy with results. Took a couple of days due to previous installation done poorly. I.E. Toilet not bolted but plonked on to a load of concrete which had to be removed and floor levelled. All work done to a high standard, I was consulted if anything arose.
