Removal and Replacement of patio and pathway

Very happy with the service we received from James and team from quote through to finished patio/path. Provided us with options upon quotation and happy to accommodate our requirements. Kept us up to date with estimated start dates and always kept us informed with progress and checking we were happy whilst the work was undertaken. All very polite and courteous and left the site clean, tidy and safe each day. Would highly recommend. **Customer in Haslemere, 16 April 2012**

Block paving to driveway (previously shingle)

10 / 10

From the outset James advised us on our driveway, explaining what was required and how he would do this. He then gave a detailed and competitive quote explaining that work would be guaranteed. James and his work colleague arrived promptly each day, were polite, tidy and completed the job to an excellent standard in less time than we had expected. Very impressed. **Customer in Alton, 12 April 2012**

New Patio Laid

10 / 10

James laid our patio for us. We had bought the slabs with diagram to create the shape we wanted. James laid the patio for us at quite short notice and at a reasonable price compared to some other quotes we received. He and his colleague

were very polite and tidy, and they didn't mind me being extremely picky with how the slabs were positioned. Would definitely recommend to anyone. **Customer in Redhill, 7 December 2011**
