**Refurbish ground floor wc** 9 / 10  
Good workmanship as always, Albert had a slight delay in getting the plumbing finish. **Customer in Havant, 23 November 2011**  
Reply from Trader: Due to the plumber's van blowing up the completion of the plumbing was held up by 10 days. All plumbing work is subcontracted and all previous plumbing work completed has been given a maximum score. As the contract was to refurbish the wc the customer was happy to wait, if the customer required the job to be completed earlier another plumber would of been used to complete job"
