Most Recent Customer Feedback

Instal new Consumer Unit and some rewiring

10 / 10

This new unit had to be slightly amended in order to fit into the external box and this was done perfectly and efficiently by Mike Probyn. I have no hesitation in recommending him to other people and will call on him again when required.
Customer in Poole, 30 March 2012

Additional socket outlet installed.

10 / 10

I would recommend Mike to anyone, he was polite and efficient, reliable and friendly. **Customer in Bournemouth, 29 February 2012**

New fuse box and switch back plate.

10 / 10

Excellent service, arrived on time, very helpful and competent. **Customer in Bournemouth, 24 August 2011**

Install RCD protection to two consumer units, install earth bonding to gas and water.

10 / 10

Assessed the job and gave sound advice so that there were no surprises during the work. A courteous and reliable professional who is a pleasure to deal with. **Customer in Bournemouth, 14 July 2011**

Re-wire kitchen, garage and fit outside lights

10 / 10

Mike worked for us again this year, completing the rewiring for our new kitchen with 1st and 2nd fixes for the appliances. He was very helpful during the planning stages with good suggestions. He rewired the garage and fitted a separate consumer unit with garden lighting and weatherproofed switch outside. Very professional and very good company as usual! We've only just made the finishing touches to the kitchen hence late recommendation. **Customer in Ferdown, 3 June 2011**
