Highly impressive service overall. Charges were completely fair and transparent. Work done was carried out efficiently. Very tidy and considerate in carrying out work and leaving the bathroom clean and tidy. Straightforward advice and explanations of problems. I intend to contact Pure Plumbers again in order to have shower cartridge replaced when spare part arrives.

The guys who attended, one was Mark, were prompt and kept me informed when they were likely to arrive. They identified the problem quickly and explained what options were available to me. At all times I felt they gave honest advice and recently managed to save a pump I thought was broken
