MOT 10 / 10
As a retired MOT inspector (senior) I can confirm the mot procedure and standard were correctly carried out and would satisfy any ministry check. **Customer in Fareham, 26 April 2012**

Cylinder head rebuild after cambelt failure - plus new clutch - plus suspension components - plus mot work etc etc 10 / 10
Just collected my daughters 206 after having a new clutch fitted. On time, within Quote, and I was kept well informed. I have used this garage extensively for the past 20 years or so, for various jobs on various cars, and have NEVER been let down, I always recomend friends and family, and they have had a similar experience. Would not think of going elsewhere. AAA+. Thankyou Beresfords. **Customer in Gosport, 20 April 2012**
