Price are spot on compared to others. Treats all Customers with the same respect as my wife called Russell and the quote given some 5 months earlier still stood no extras charged. Perfect Time keeping. No extras added on the quote, polite and Informative to us the client, willing to explain the issues / problem and the solution / fix. Father and Son team with "Family Values" at the heart of this business. Did not want any monies till all the job was done even though we wanted Russell to have something for the first days work. Russell even said he'd do the work and we could pay him later on. We have a further Two Flat roofs in the Front Dormer and asked if they need any work I was amazed at RJ's reply he said they don't need any work at the moment but you have my details should you need anything any. Trust, Honesty, professionalism, reliable, excellent workmanship, polite, and approachable. We will be using Russell again for all future work. Very Satisfied customer **Customer in Brighton, 27 September 2011**

Very clean and tidy workman father and son kept their work schedule on time and never asked for any money until the job was complete, and the cheapest by far. Highly recommend them. **Customer in Brighton, 12 June 2011**

**Chimney stack repair, fire wall renewal, repointing** 10 / 10  
Russell is a great guy who doesn't treat women as if they're stupid. Showed photos on his phone of roof works that needed doing. Quote was £1k cheaper than another for same work! Always returned calls and arrived when he said he would. Prompt start, job finished in 2 days and even did some extra bits he found for free. Definitely recommend and will use him again. **Customer in Brighton, 5 July 2010**
