Rob responded to my original email by return even though it was a Sunday. He contacted the tenant immediately and did the work the following day, charging me a fair price. I am very pleased with what he has done. **Customer in Arundel, 3 July 2017**

Work spread over 2 days. Kitchen transformed with new LED lighting. The 2 of them could not have done better with about 9 jobs. Solved one or two other problems with no extra charge. Highly recommended! **Customer in Rowland's Castle, 9 June 2017**
