Chris was absolutely fantastic - I cannot recommend him highly enough. He was prompt, helpful, very reasonably priced, and incredibly clean and tidy. I'm really pleased with the work done this morning. **Customer in Leatherhead, 17 December 2011**

Renovation of Ensuite shower area

8.8 / 10

Darrel worked very hard to complete the job which proved to be more complex and took longer than anticipated. However Darrel showed great determination and we are pleased with the outcome. **Customer in Dorking, 28 November 2011**

Complete refit of bathroom and cloakroom including remedial works

10 / 10

The work on our bathrooms was completed to an extremely high standard. Chris has an exceptional eye for detail and consulted me on every aspect of the bathroom fitting including giving suggestions about how the job would look when finished. Our job was not an easy one because of some previous problems with the rooms, but Chris tackled these systematically and exceeded our expectations in terms of what was achieved. We would not hesitate to use this company again. **Customer in Epsom, 28 November 2011**

Refitting of shower tray and tiling

10 / 10

Darrell did a tremendous job. The job was a little more involved than we at first thought, but Darrell was very cost conscious on our behalf and made some good suggestions to ensure that the finished job looks fantastic but did not break the bank. The tidiest workman that we have ever had in our home. No hesitation in recommending this company and will use again. **Customer in Ashted, 25 October 2011**
