I would recommend this firm, Rob works well on his own, he is a fast worker, he was very polite and always ready to please. I have never seen a young builder work so hard in my life. He started work at 8.30am and works non stopped for 8-10 hours daily without a break. The after care is great and he even volunteered to help me to move my furniture. I wish him good luck. **Customer in Hassocks, 4 October 2011**
