Ricky arrived within the time he said he would. He did a very good job for me (taking down unwanted satellite dish) and left everything neat and tidy. He was very pleasant to deal with and certainly knew his stuff. I would definitely recommend him. **Customer in London, 25 May 2012**

Excellent service. Ricky really knows his trade and this shows in the quality of workmanship. I nearly went with a different company, I'm so glad I didn't. Ricky kept me informed every step of the way so I knew what he was doing and why. **Customer in London, 30 April 2012**
