 Richard as always was tidy and friendly. This is the second time we have used his services, and I have to say would use him again, as well as recommend him. **Customer in Brighton, 24 October 2011**

**Adjusting internal doors and fitting catches/magnets to cupboard doors** 9.5 / 10  
 Richard was a pleasure to deal with from the start. Friendly, accommodating and a hard worker. I have marked him down slightly as he was an hour late on the first day but he did apologise for this and otherwise was completely reliable. The work he has carried out is excellent. The doors, which were all binding and dragging on the carpets, now fit perfectly and are much easier to close. Richard worked solidly over two days and I can find nothing to complain about in his work. Polite, courteous, and careful, I will definitely use him again in the future. **Customer in Brighton, 13 October 2011**
