New boiler and pipe work, fit new radiator and new shower and tile in both room 10 / 10

His work was always clean and tidy, and he always worked a full day. ~Each day he gave me a progress report and that work was always completed by the end of the day. I would recommend him to anyone especially people living on their own. **Customer in Waterlooville, 14 March 2012**

Unblock waste pipe to washing machine/dish washer, removal of kitchen units to gain access to the pipes 10 / 10

Richard did a great job, he was polite and explained as we went along what may have to be done to get to the blocked waste pipe. He even crawled under our conservatory to finally find a drain eye to rod through as the pipe went direct to outside. Without his expertise it would have meant destroying the tiled kitchen floor to get to the pipe only to find it didn't even join into the rest of the waste system as we thought!!

Thanks again Richard for 'juggling' your other work to get to us as quickly as possible (called him on Friday and he arrived first thing Monday morning), **Customer in Waterloooville, 10 February 2012**
