#### Replace old concrete driveway with block paving

10 / 10

We had an old driveway and it was ripped up and replaced with block paving. The edges was finished off with sleepers and it looks amazing. The steps to the front door was also redone and replaced with natural sandstone slabs which looks fabulous. These guys definitely uphold their reputation and have done a fantastic job **Customer in Salisbury, 29 March 2012**

They were on site and schedule, worked efficiently in difficult weather conditions. Polite and tidy, pleasing job. **Customer in Andover, 13 March 2012**

#### Replacement patio under verandah

10 / 10

Anthony and his team have made a lovely job of replacing an old patio area under our verandah. The workmanship is first class and they are very friendly, courteous and do a good clean up job. They did exactly what we asked for, on time, good price and excellent quality. This is the second job they have done for us this year having replaced our front door steps and small patio area in January. I would recommend them without hesitation. **Customer in Andover, 21 February 2012**
