#### Bathroom Fitted

10 / 10

I had John fit my kitchen previously and because I was so satisfied I had him back to fit my bathroom. John is very hard working and works to a very high standard. John is very reliable, trustworthy and genuine. I have passed on Johns name to friends as I was so impressed with his work and when they saw his workmanship they wanted his details.

#### Total bathroom + toilet renovation.Porch tiled.New boiler/pump.

10 / 10

We found John Graziano extremely pleasant, approachable and a very hard worker who is also most obliging. The installation of the new bathroom suite/ shower was perfectly done and all the tiling on the walls is superb. We are also pleased with the laminate flooring he laid in the bathroom and separate toilet areas and the tiling of the front porch floor, so much so that we will be having him back to do our kitchen floor!!! He organised everything in such a way that we had no worries etc... and we love using all the new facilities. **Customer in Bournemouth, 26 April 2012**
