Very pleasant workman, extremely reliable, quality of work and care taken to avoid disruption was impressive. Standard of work very high indeed, and he was competitive on price with no hidden extras to pay. No complaints. **Customer in Haywards Heath, 25 November 2011**

Wow, what can I say about this company other than "excellent". The quote was incredibly reasonable and then the work itself was carried out to such a high standard I was literally gob smacked. I cannot recommend these chaps enough, they did exactly what they said they would do when they said they would do it, what more could you want from a contractor? Also, as a woman living on her own, they didn't try to bamboozle me with technical details and instead spoke in layman's terms. My bathroom is absolutely stunning I love using it every day! **Customer in Brighton, 29 June 2011**
