Fitting worktop to en suite

10 / 10

The fitter who promised to come out on Sunday to fit worktop did not turn up and as the tiler was starting the next day I was panicking. I went online to Checkatrade and 'phoned Graham of Refurbishment Services and explained the problem and he was extremely helpfull, even although he was in the process of moving home, he and Carol came out the next morning and made an excellent job in fitting two different sizes of worktop to fit. Great workmanship and friendly people to have in my home I certainly would recommend this company. A Big Thank You Graham and Carol. **Customer in Horsham, 16 April 2012**

Bathroom refurbished, loft and eaves insulated, bedroom re-furbished

10 / 10

Being very pleased with our first bathroom fitted by Refurbishment Services, we asked Carol and Graham to come back and do another, plus our bedroom which needed insulating, cupboards knocking out, a stud wall taking down and another put up. They did a great job on both rooms and we are very pleased with the results. Would recommend. **Customer in Godalming, 26 January 2012**
