#### Reset a loose tile on roof 10 / 10

I was impressed with Reliable Roofing Ltd right from the initial call I had with Hannah. Hannah was extremely polite and professional, she knows what customer service is all about. John gave a courtesy call before arriving and arrived on time, which is another good start. He was very professional and gave us some sound advice and was able to help us out with no trouble at all. We were very pleased and will gladly recommend this company. Thank you. **Customer in Staines, 12 September 2009**

#### Pre purchase report, then repoint ridging and tile replacement once moved in 9.8 / 10

John inspected roof of property before we bought it and prepared a report and estimate for works so we knew what we were in for. Once moved in Hannah was very friendly and helpful when arranging for works to be done. On day of works John turned up on time, worked hard and left no mess. He was cheerful and didn't charge for work that was not needed in the end. Would definitely recommend this company **Customer in Staines, 5 May 2009**
