Steps and terrace in back garden

I would highly recommend Richard West. His workmen were very professional, courteous and friendly. They always turned up when they said and they listened to us and made small modifications as we required during the job and produced work to a very high standard with no extra cost on the quote. They tidied up beautifully at the end too. We would definitely use them again. **Customer in East Grinstead, 6 January 2012**

It was a pleasure to have workman here who started when they said they would (7.30am) put in a full day's work, were courteous and left the site tidy at the end of each day. They stayed on the job until it was finished. We are extremely happy with the end result and would highly recommend them. **Customer in Horley, 28 July 2011**

Paving of front garden

10 / 10

I would highly recommend this company. The workmen were hard working and polite always there first thing in the morning and worked through some pretty grim weather and consulted me if they needed to about issues. The completed paving is of a very high standard and the area was left very tidy. The price was also very competitive and reasonable.
