#### Built in/fitted cupboards In hall under stairs

10 / 10

I am really pleased with my new cupboards -Rob listened to my requirements(custom storage under the stairs) and was able to interpret correctly what I wanted. Not easy as the vision was in my head! The result is fantastic - lots of storage space beautifully finished. Rob is polite, tidy and an outstanding tradesman. Thank you. **Customer in Brighton, 31 January 2012**

#### New kitchen and wooden floor

10 / 10

I hesitate to recommend because Rob is one of those tradesman who should stay as a well kept secret amongst friends - that is we don't want to share! He is a top quality craftsman, reliable and produced a fantastic kitchen for me. Rob was very patient as I changed my mind regularly about fittings and colours(a women's prerogative!) and made suggestions that were very helpful but never pushing his opinions. He is such a star he even helped me out of a crisis with my american fridge freezer that was too big to get in the door! All in all hiring Rob to undertake any work for you is a decision that you won't regret. Forgot to say Rob is also a very personable chap -my puppy loved him so much he weed on his note pad! Rob was very gracious about. Thank you Rob **Customer in Brighton, 12 September 2011**

#### New wardrobe and interior doors throughout

10 / 10

Rob was excellent as before, he had a nightmare with the doors and took much longer than expected. He didn't give up and still finished them to a very high standard and the new wardrobe doors look amazing. Second job by Rob and he'll get more work for sure. **Customer in Seaford, 8 September 2011**
