Skimming walls of 3rd bedroom

9.8 / 10

My regular plasterer was unavailable for the job I required in the given timescale, so after checking checkatrade and seeing the reviews of R M Plastering I contacted Rob for a quote. Rob quoted me a price and that was the price I paid. Rob fitted my job in quickly and completed the work to a high standard efficiently and was very polite and friendly. It is hard finding a good plasterer but I would happily use Rob again and recommend him. **Customer in Poole, 21 December 2011**
