Possible roof leak — 10 / 10

Even during Christmas Robin was willing to come out and see us about what we thought was a leak. He consulted with us over the phone and suggested that it may be condensation build up and gave us a remedy. He called back the next day to confirm that the problem had gone, and even offered to come round and check it for us. We couldn't be happier with the service and wouldn't hesitate to recommend him. Hopefully we won't have to use any roofer's services but if we do we would use his. **Customer in Bognor Regis, 29 December 2011**
