Replacement of old boiler

10 / 10

Cannot recommend highly enough. Russell and his colleague Simon went above and beyond the call of duty to replace my boiler. Found lots of problems from previous plumber, which caused no end of headaches. But Russell was determined to find the root cause and fix it. Which he did. Really superb. Efficient, polite, happy to explain everything, reasonably priced, doesn't overcharge, and all in all I wouldn't go to another plumber after this. Thank you Russell and Simon! **Customer in London, 6 December 2011**
