#### Re-tiled the kitchen and bathroom

This job was quite complex (insurance claim) as we had a flood in the house and had several tradesmen working there at the same time. Matt was very accommodating and worked around the other tradesmen's schedules. Matt advised us on which types of tile would be suitable and suggested what would look best. He even took back the surplus tiles for a refund for us. His work is first rate and we are very happy with the standard and the finish. Would definitely use him again. **Customer in Bognor Regis, 12 May 2012**
