Two Storey Front and Side Extension....cont'd

9.8 / 10

This is a big two-part extension that started mid October 2011 (see previous feedback) and now work is progressing well. Darren and his team work hard and in a carefully co-ordinated manner to cause us as little disruption as possible inside. The standard of workmanship is excellent. Now we are at the plastering, plumbing and electrical stage and we are still very pleased. Darren's attention to detail remains amazing. **Customer in Portsmouth, 5 February 2012**

Complete refurbishment of bathroom

10 / 10

Darren Heap and his team have performed a top quality job for the refurbishment of our bathroom. The quality of the work and attention to detail cannot be faulted. All of the team had a thorough and professional approach throughout. We were at all times kept informed of progress and all of the team carried their tasks with a cheerful and willing disposition. We would have no hesitation in using Rydon and Sons again for any future projects and we would recommend them to anyone else looking for top quality craftsmanship. **Customer in Petersfield, 8 January 2012**

Two Storey Front and Side Extension

9.8 / 10

This is a big extension, work started mid October 2011 - the exterior brick shell is up and they are now putting the roof on. So far very pleased, particularly polite and courteous workmen. Darren's attention to detail is amazing, always thinking ahead and checking with us over little issues or decisions. We have agreed timetables of work, so we are secure and watertight for Christmas, and internal work will resume in earnest in January. **Customer in Portsmouth, 30 November 2011**

Fitted doors, handles and locks. Also skirting boards fitted.
