Removal of chimney from loft space 10 / 10
 Our house purchase survey picked up an unsupported section of chimney remaining in the loft from a removal by the previous occupants. Steve explained the work required fully when he quoted, turned up promptly to do it and completed the removal quickly in a professional manner. He was very polite and I have already arranged for him to come back to do a larger job. Would recommend. **Customer in Guildford, 13 March 2012**
