Two complete rooms, including overboarding the ceiling, and skimming all walls. 10 / 10

Simon came recommended by a colleague, and I am very pleased to be able to recommend Simon to others. He was able to get on with the job quickly, and got it done within the estimated timescales. I will be using SDW Plastering again for the rest of the house. **Customer in , 3 April 2012**

Plastering of all walls and ceiling of a large coffee shop 10 / 10

Simon is an amazing plasterer. We have used him for many years and every time is perfection. He always turns up on time, every day, works all day without a break finishes on the day he said and the plastering is absolutely perfect. What more could you want...oh and he's funny too!

I would recommend him to anyone. **Customer in Southampton, 22 March 2012**

Replaced ceiling and plastered walls 10 / 10

Work was well done and done quickly. Very disappointed that we were left with all the rubbish (5 bags) left over from the job to dispose of ourselves which now means a couple of journeys to the tip we weren't expecting. **Customer in Southampton, 2 March 2012**

Reply from Trader: A little surprised to receive a comment regarding the left over rubbish. I put it into rubble sacks after pulling down a wet dusty old ceiling for the customer. I did check with the customer and explain my reasons why I could not dispose of it myself and she said that was fine. The customer was very happy with the work hence the scores.

Plasterboarded ceiling and replastering of room walls and ceiling. 10 / 10

Was done within the estimated time of 2 days and carried out to a very professional finish. Paintwork and other adjacent finishes cleaned on completion. Dust covers used. Would recommend Simon to friends and family. **Customer in Southampton, 29 February 2012**
