Install, replace and adjust light fittings 10 / 10
 Excellent workmanship and a high quality job. **Customer in Emsworth, 11 May 2012**

Ring main check, remedials and certs 10 / 10
 Sam was prompt, thorough, professional and polite; he kept me informed of progress throughout the job, which was important as I don't live at the property. I would certainly use Sam again, and I recommend Checkatrade; this is the second time I have hired someone recommended on this site. **Customer in Nr Romsey, 25 April 2012**

Remedial electric work in newly purchased property - I had moved in the previous day. 10 / 10
 Sam arrived exactly on time (on a Saturday, at my request, no extra charged!); he took his time in doing a wide range of repairs/replacements as he had quoted; he was obviously interested in what he was doing and was completely professional. I shall use him in future, absolutely! **Customer in Emsworth, 23 April 2012**

Intercom system installation to six flats. 10 / 10
 Very happy with his service. Would use no-one else. Thank you. **Customer in Southsea, 10 March 2012**

New socket and BT point installed and replacement light. 10 / 10
 Very happy with work carried out. Punctual and professional and went beyond expectations by moving heavy furniture back into place. Would not hesitate in recommending to friends and family. **Customer in Emsworth, 6 March 2012**
