Refurbishment of house including plastering all walls and ceilings

9.8 / 10

Sean and his team have done a great job refurbishing our new home. A 1930's semi in need of a complete overhaul including some structural work and the plastering of every wall and ceiling. From the initial quotation stage Sean offered good advice on where we could save money and where extra work we hadn't anticipated would be required. We requested some extra work during the project but Sean was still able to complete the work to schedule. I'd highly recommend SM Plastering and we'll be using them again for decorating the property. **Customer in Hove, 27 February 2012**

Entire house re-plastered

10 / 10

SUPERB. Trustworthy, Perfectionist, Excellent Value. We hired Sean having received quotes from 5 different companies. We chose (Sean) SM Plastering as they offered practicable advice on what we needed to do to prepare the walls and ceilings for the very best finish. They also quoted on a per room basis, and accepted payment when each room was done. The house being plastered was an artex/asbestos nightmare. Thickly laid on, painted with vinyl paint, complete with blown plaster. The kitchen and bathroom has to be taken back to brick and completely rebonded, then skimmed. All ceilings were boarded over and re-plastered. We also tried to angle grind an old chimney off, that ran through two floors. We couldn't do it! Thankfully, Sean is also a skilled builder, so he did that for us. The walls were an uneven, sooty mess after but to look at them now you would assume the house was knocked down and rebuilt! Sean also worked at our pace, he can work very fast, completing whole rooms in one day flat but he was very decent about us DIY novices trying to do up a wreck of a house whilst both working full time. We ended up leaving him the keys, as he's ultra trustworthy and a very tidy worker. As he has a lot of building experience, we also were good a lot of good advice. We also hired him to widen a doorway into an arch, and I must admit it was a pleasure to see him with a spirit level at the end making sure it was totally perfect! I would not hesitate to hire Sean again, he's a very skilled hard worker and is ultra polite and professional. Happy to recommend him, and show anyone how my house has gone from a hovel to a show home. 10/10 **Customer in Hove, 20 January 2012**

Kitchen / Dining Room and Bathroom fit new ceilings, plaster ceilings and walls

10 / 10

My house is a development project, Sean has done a brilliant job and advised me on how to achieve the best result regarding a number of aspects of the job, he worked around other works on site, overall very satisfied customer, I would recommend SM Plastering, thank you Sean! **Customer in Haywards Heath, 20 May 2011**

Skimmed walls and ceiling of spare bedroom

10 / 10

We agreed a price and date for the work. Both were adhered to, I had calls to confirm how I wanted certain areas finished, and a call to say everything was completed. A good finish, on time and budget. Would definitely recommend. **Customer in Burgess Hill, 19 January 2011**

Plastering ceiling and walls of large sitting room and adjoining study.
