**Change dripping kitchen tap for new** 10 / 10  
Highly recommend, did not hide anything, he even went and obtained a catalogue for us to choose the tap, which he ordered, informed us it would take about 24 hours to get the tap, told us it should be Wednesday, which it did and fitted it that day. Very tidy, obliging, reliable, even though he had a difficult time, would recommend him to all in Eastbourne area, would use him again to do bathroom, (have all ready ask and would let him know when) he did not mind being paid by cheque. You can pay on the day or send invoice. **Customer in Eastbourne, 13 April 2011**
