Very professional and high quality finish carried out with a very pleasant approach. **Customer in Southampton, 31 March 2011**

**Lounge, Bedroom, Hallway, Kitchen** 9.3 / 10  
Steve and his workforce were tidy, reliable, courteous, helpful and trustworthy, we left them on their own most days and I would use them again if need be without hesitation, we had a kitchen fitted by Ian and his Son which is brilliant, the workmanship is first class, we had a flood in January during the big freeze.

**Painted kitchen** 10 / 10  
Steve was very efficient and very prompt. We had to leave him on his own due to work commitments. He was very tidy and apart from the change of colour on the walls we would not have known he had been there! **Customer in Salisbury, 3 March 2010**

**Redecorating two rooms and a hall** 10 / 10  
Steve took on a sensitive job of redecorating a room(s) plus others that a tenant had nursed her husband in until his death. The job needed to be done efficiently, with sensitivity and within budget. This was achieved without exception and I will definitely recommend him and offer him further work in the future.

**Painting Stairway Balustrades and Doors** 9.8 / 10

Steve and his colleague proved reliable (despite the weather), he underestimated the amount of work but more than made up for it in the quality of the job. Would have no problem using them again **Customer in Bournemouth, 16 January 2010**
