Remove old concrete drive and paths, replace with block paving 10 / 10

A very professional, reliable and dedicated team who were always courteous, thoughtful and tidy. They worked tirelessly and did a very thorough job with amazing attention to detail. They always went just that bit further to ensure we were very happy with their work and the design of drive and paths. I don't ordinarily recommend products or services, but I thought SP Paving was excellent and I would use them again in an instant. **Customer in Havant, 4 August 2011**
