Excellent work carried out quickly and to a great standard, he has a great eye for detail and would recommend him to anyone. **Customer in Uxbridge, 30 April 2012**

Replacement fuseboard

10 / 10

Very reliable electrician, reasonable quote, work didnt over run on what he said the timescale would be, and checked out other things in the house for me and gave me advice on what work doesn't need to be done, and things that I should look at in the future. Have recommended to friends and would definately use him again in the future. **Customer in New Malden, 4 April 2012**

Various electrical work - sockets, light fittings/switches, wiring.

Ryan was fantastic. Very competitively priced but a high standard of workmanship. He arrived on time and has to be the tidiest workman we have ever had! Would highly recommend, and will use him for any future electrical work. **Customer in Sunbury-on-Thames, 19 December 2011**

Ryan was very professional and I am extremely happy with the work carried out. Ryan completed the work in the time scale that he had originally stated and kept me up to speed with what was being done. He was also very forth coming

with suggestions regarding the work being carried out and liaised well with other trades who were working on the project.
I would highly recommend him! **Customer in Shepperton, 10 October 2011**
