Replace windows

10 / 10

Great guys, good communication and a reasonable price. The quote system they use is straight forward, none of that 'Oh let me call my manager for a better price' etc. USE THIS COMPANY, you won't be dissatisfied. **Customer in Waterlooville, 23 May 2012**

Replacement of double glazed units

Excellent job done by Chris and Dave. I am very satisfied and would certainly use them again. **Customer in Emsworth, 20 April 2012**

Five replacement windows including large bay window

10 / 10

Excellent quality and service. Everything went exactly as promised, on time and on budget. Chris and Dave were friendly and professional. Later this year we have to replace other windows in our house and we will definitely ask SAS to quote as we would be very pleased to use them again. **Customer in Rowland's Castle, 14 April 2012**

Front door fitted

10 / 10

Once again Chris and Dave did a wonderfully professional job! The door looks fabulous! They are friendly, polite and a pleasure to do business with. Now this is the only company I'd ever consider using for any of my replacement windows or doors. They don't pressurise or try and sell you what you don't need! I really despised window companies until I met these chaps!! **Customer in Southampton, 27 March 2012**

Arched double glazed window with sandblasted glass

10 / 10

Really pleased with the window, the sandblasted glass was the finish I'd been looking for (which other companies had told me wasn't possible!)

Brilliant communication by Chris and Dave from start to finish - very professional

Excellent job on the day of the fit - clean, tidy, neat finish, good quality product

I will be using them in the future for other work, and would happily recommend them to anyone needing work done
