They turned up at the appointed time and date. Work was completed in an efficient and timely manner. The quality/standard of workmanship was/is very good and the working areas where left in a good/clean condition. Before leaving the electrician explained how our new board worked and how to reset it if it tripped out. A thoroughly professional company who I will certainly call on again and would recommend to anyone. **Customer in Lyminster, 20 July 2011**
