Steve came within one hour of my calling, due to a cancellation he had and job done. Steve was absolutely brilliant and very helpful. I cannot speak too highly of him. My thanks also to Crissy who was in the office that day. She, too, was very efficient and kind. **Customer in Lewes, 11 January 2012**

Phoned to ask if he could arrive early which I was happy to say yes. Very thorough and efficient. Then charged me half of his original estimate. Having also pointed me out some useful Web sites. I was very happy all round. He was also very courteous and polite. Will definitely use him again and also recommend him to my family and friends. A job well done. **Customer in Eastbourne, 18 November 2011**

Fantastic, A problem sorted out within a week that I had failed to resolve in 2 years. Great advice given and a pleasure to deal with. Steve was most helpful and so was the "lady on the phone". Would recommend this company to anyone. **Customer in Hastings, 29 September 2011**
