We had to wait a while for them, but it was worth it. I particularly liked the way we were kept fully informed on all aspects of the job. **Customer in Eastleigh, 1 September 2011**

Remove old crazy paving to path and patio area.

Replace brick edging to borders and replace with sleepers.

Complete infill of old pond and make good, fit new twin rain butts.

Couldn't fault the work. Ron and team made good suggestions about areas I wasn't sure of. Always consulted me to make sure they were doing what I wanted. Corrected something with no hassle. Always let me know if there were any changes to times they were coming or going. Very pleasant and helpful. Couldn't ask for better. **Customer in Southampton, 8 August 2011**
