Quick, reliable, good quality work completed area was left clean, tidy and secure, fab! **Customer in Midhurst, 12 March 2012**

**Converting cellar into habitable room and constructing small extension** 10 / 10  
Work was completed to a high standard; communication remained open throughout and any problems with the build which did arise were resolved amicably. We have a toddler and a 6 month old baby, and every effort was made to minimise disruption. I would not hesitate to recommend them, and in fact have already done so. **Customer in Godalming, 14 October 2011**

**Loft conversion, gas fire installation, kitchen and general house work** 10 / 10  
Very friendly, came highly recommended by local friends. Shane, Johnno and his team were very polite, informative and always willing to help with more. If there was any problem an immediate response would follow - not many builders these days you could pay first and then know the work would be done. We've asked the team to do more work for us. His pricing is way less than any other building company! He's busy, but worth the wait.... Jason **Customer in Midhurst, 20 September 2011**
