Most Recent Customer Feedback

Extensive electrical work throughout house

10 / 10

Recommended. Very reliable and could leave to get on with the work. We continually added more things on the to do list and it was done with minimum fuss. **Customer in Haslemere, 17 December 2011**

Extra Sockets, Update of Consumer Unit and Part Re-wire

10 / 10

I was more than happy with the work done by both Vince and Chris. They could not have been more helpful, professional and tidy. **Customer in Godalming, 16 December 2011**

Bathroom electrics

10 / 10

A very professional install of an IP rated extractor fan, light and pull cord to bathroom shower, and also replaced double socket in the ground-floor hall. Would recommend and use Vince again. **Customer in Guildford, 1 November 2011**

Fitment of external power to external garden building.

10 / 10

A very professional installation of SWA cable to garden building with four 13 amp sockets and fluorescent light. Prompt, tidy, excellent service. **Customer in Guildford, 22 October 2011**

Remove old fuse box - supply and fit new consumer unit - check all outlets and points

10 / 10

Vince and his son Christopher carried out this work to a very high standard. They were both extremely knowledgeable of the current legislation and gave very useful advice. Nothing was too much trouble, and they even installed a new light and switch in the bathroom at no extra charge. I can thoroughly recommend this company. **Customer in Guildford, 8 September 2011**
