Polite, punctual, reliable, tidy, knowledgeable and friendly. Alister was a hard worker. He helped us disregard some of the 'bad wood' and was very understanding and accommodating of where we wanted specific planks to go. Highly recommend. **Customer in Eastleigh, 15 May 2012**

New garden fence erected and old wood removed

10 / 10

Really prompt response to initial email (sent Good Friday replied next day). Alister was informative and very helpful regarding exactly what we wanted done. His timekeeping was excellent and although he was told to help himself to tea Alister did not actually take a break at all. The job was a two day job and Alister was very careful about ensuring the gardens remained secure for dogs (both us and our neighbour) overnight by doing the removal and erecting in stages. There was absolutely no mess during or after the job was done. An excellent job done to the highest standards, we will be calling on Alister for all future carpentry jobs. **Customer in Eastleigh, 4 May 2012**
